John Boyd is a principal member of TEAM, The European Alliance of EU-critical Movements. When the EU Constitution was signed October 29th in Rome Italy, it marked the end of the traditional sovereignty enjoyed by most of the member nations. This unification has begun through NAFTA, GATT, and the FTAA, all trade agreements that have weakened unions, eroded our sovereignty, and reduced the standard of living in the US, Canada, and Mexico. This is a step in the creation of a New United States of the Americas and eventually a one world government. You'll learn how it proceeded in Europe and the results of this policy, not only upon individual countries, but their citizens. The plan for America is being carried out today in Europe. www.CAEF.org.uk www.TEAMEurope.info 11/06/04

Dr. James Fetzer from the University of Minnesota discusses *Murder In Dealey Plaza*. This is the 41st anniversary of the single most significant crime of the 20th century, the murder of President John F. Kennedy and the subsequent cover-up. Fetzer reveals how the Zapruder film was tampered and other inconsistencies with our government's analysis of this case. This coup d'eta set in motion a series of conspiratorial lies that continue today. The events of 911 and the death of Minnesota Senator Paul Wellstone may be ramifications of the same group that assassinated President Kennedy and their consolidation of power and control over America and the world. www.Assassinationscience.com 5/22/04, 11/20/04

Jack Foote is the national spokesperson for *Border Rescue/Ranch Rescue USA*. This group is standing up to the drug dealers, terrorists, and foreign military attacking our American landowners. "Our border county landowners have been economically devastated by this ongoing crime wave and live in fear for their lives from the thousands of criminals that cross their property every night. Our nation is being invaded, and these folks are on the front line in a silent war." www.ranchrescue.com 3/13/04

Dennis Fried Ph.D.'s careers have included physicist, philosophy professor, stand-up comic, and author. Dr. Fried's book, *Memoirs of a Papillion*, was barked to him by his dog Genevieve. He got tired of Genevieve getting all the attention so he wrote *A Tongue In The Sink (the harrowing adventures of a baby boomer childhood)* on his own. Remember the time when SUV's were unknown since no self-respecting kid wanted to be seen being dropped off by his parents. Reverend Ted Pike believes that new *Hate Laws* being enacted by the United States Congress will make criminals out of Christians. These laws are touted as a sincere effort to end violent crime and prejudice. The end result will be nothing short of censorship and a virtual ban of public discussion on certain "taboo" topics. You may not agree with what Reverend Pike has to say but we must defend his right to speak freely as long as he doesn't condone violence. There is clearly a conspiracy against our freedom of speech. www.Truthtellers.org 10/30/04, 12/11/04
