Steve Alten mixes history and mystery to create one of the most riveting novels you'll read. *The Loch* brings the 1500 year old legend of "Nessie" to life. The cutting edge science, history, suspense, and mystery, makes this a book I couldn't put down. At the end of this hour you too will believe in the Loch Ness Monster, or at the very least, want science to shine an even brighter light on this denizen of the dark. www.TheLoch.com 7/31/05

Juliet Anton is a spiritual director and life coach who has traveled the world building "bridges" between cultures. She has increased awareness of social and spiritual issues from the corporate boardrooms of America to the poor campesinos of Central America. Her new book, *Forever Arriving*, is a positive message of the power of love and the gifts one can receive even in life's darkest moments. www.ForeverArriving.com 12/17/05

Trevor Colman is concerned about the activities of the European Union and its' impact on the freedom and sovereignty of the United Kingdom. What began as a free trade area very similar to NAFTA has led to an undemocratic, unaccountable police state that makes laws behind closed doors and seeks by stealth to destroy the UK as an independent nation. This same fate awaits America unless we heed the warning from the UK. Trevor Colman is a retired Police Superintendent with the courage to speak out against the New World Order. 1/01/05

John Connor is the author of *The Resistance Manifesto*. This remarkable work details the plans of the Illuminati and how they are accomplishing their goals. By understanding the Satanic motivation behind "The Elite" we can become an effective resistance movement. John dedicates this Manifesto to Jesus Christ and urges all of us to seek His aid and assistance in defeating the minions of darkness.

Dr. Kaayla T. Daniel exposes *The Whole Soy Story*. We'll expose the myths about soy being a health food or the answer to world hunger. Soy hasn't even been proven safe. Dr. Daniel earned her PhD in nutritional Sciences and Anti-Aging from Union Institute and the University of Cincinnati and is a Board Certified Clinical Nutritionist. You'll discover that big business not nutrition is the motivating factor behind the push to sell soy as a health food. www.TheWholeSoyStory.com 5/28/05

Mary Darkeff is a social activist with a message we must heed. Almost a million Americans were arrested last year on marijuana charges. Meanwhile, crack cocaine & crystal meth usage increased dramatically, with very little public attention. Lawyers and judges have established an industry worth billions on prosecution, defense and incarceration over marijuana. Many of those arrested will have a police record that will follow them the rest of their lives. Now those needing medical marijuana are denied this

right. We'll examine this issue, and many others, in an hour that could possibly change your priorities. Be sure and visit Mary's website. www.AskMotherMary.com 10/29/05

Elaine Delack R.N. exposes the forces behind the scenes that are determined to keep MS a lucrative disease. The National MS Society has a negative campaign against Prokarin. Prokarin has been tested and reported in medical journals and used by over 1200 physicians in treating more than 6000 patients. The results have proven astonishing. *They Said It Didn't Make Cents* is the story of the pharmaceutical industry and the National MS Society ignoring a successful treatment. www.MSProkarinStory.com 9/03/05

Stan Devo has held above Top Secret Security Clearance and worked undercover for the FBI. He was part of an exclusive "Black Project", headed by Dr. Edward Teller specializing in the development of "flying saucer technology." We'll be discussing Stan's predictions for massive earth changes affecting the Western US & Canada. If correct, we're on the edge of a cataclysmic disaster. We'll also examine alternative energies and the coming global economic collapse. Stan and his wife Holly have just released the 544 page 2nd edition of *Dare To Prepare!* and the 3rd edition of *Prudent Places USA*. Tim Donnelly is State Director of the California Chapter of *The Minutemen Civil Defense Corps*. This is one of the most controversial movements in America. The failure of both Republicans and Democrats to act to secure our borders from illegal aliens and possible terrorists have cost American jobs, safety, and overburdened our schools and hospitals, and greatly increased our drug culture. The number of illegals is estimated at 20 million and growing. Soon it will equal 10% of our entire population. We are being invaded and our elected officials have made no real effort to address the problems. Ordinary American citizens are acting where our elected officials have refused to spotlight this serious threat to our security, not as vigilantes, but as concerned Patriots. www.minutemanHQ.com 12/10/05

Uri Dowbenko is the author of *Bushwacked, Inside Stories of the True Conspiracy* and the newly released *Hoodwinked (Watching Movies with Eyes Wide Open)*. Uri will take us on an examination of the hidden meanings that Hollywood is trying to convey. Film has always been an effective media for propaganda. Dr. James Fetzer from the University of Minnesota discusses *Murder In Dealey Plaza*. This is the 41st anniversary of the single most significant crime of the 20th century, the murder of President John F. Kennedy and the subsequent cover-up. Fetzer reveals how the Zapruder film was tampered and other inconsistencies with our government's analysis of this case. This coup d'eta set in motion a series of conspiratorial lies that continue today. The events of 911 and the death of Minnesota Senator Paul Wellstone may be ramifications of the same group that assassinated President Kennedy and their consolidation of power and control over America and the world, *American Assassination: The Strange Case of the Assassination of Senator Paul Wellstone*. www.Assassinationscience.com 3/20/05

Ron Fierstein has done everything in the music business. Ron has produced and managed many top artists, launched an independent record label, and worked a professional musician. Lisa Guliani & Victor Thorn just released the blockbuster book and video *9-11 On Trial*. These brave, intrepid journalists have done what the Justice Department has refused to do and Mike Ruppert said couldn't be done. They have laid out an enactment of a trial to determine exactly what occurred on 9-11 and who were the likely culprits. *Erskine Overnight* gave Victor and Lisa the opportunity to present the story that Art Bell refused to allow to be heard. Bell referred to these journalists as "wing nuts." This is from the man who presents Chupacabra & tales of extra-terrestrial craft following Hale-Bopp comet, which was considered an omen for the sect to commit suicide in California. These "wing nuts" are tightening the screws on the lies and deception surrounding the 9-11 events. www.WingTV.net 3/26/05

Ted L. Gunderson was FBI Senior Agent in Charge (Ret.) of the FBI Los Angeles office where he supervised over 800 agents. Ted Gunderson has the background and experience to know, understand, and properly investigate criminal activity. What Mr. Gunderson has uncovered is the abduction of children by an organized association of Satanists and those wishing to do evil. Ted also has proof of our government having prior knowledge about 911. You'll learn how the "war on terrorism" is actually a war against Americans. www.tedgunderson.com 04/02/05, 04/30/05, 6/18/05

Peter de Krassel explains why the battles of the 21st century will not be fought on battlefields but in cyberspace. The internet is our Achilles heel. While the internet expertise of our intelligence services is badly out of date, "the terrorists" have turned the web into a fertile recruiting ground and a potential instrument of global terror. This former CEO of a strategic consulting firm says most federal security agencies were given failing grades on cybersecurity. *Custom Maid War for New World Disorder* is a wake-up call we better heed. We'll also ask this expert on American/Chinese corporate business why China has accused the US of economic warfare. China has announced that they will substitute the US dollar for other currencies belonging to countries they do business with on a weighted basis. Treasury rates have risen since China, the largest holder of US Treasury securities, is no longer a buyer. What will be the results of these trade issues? www.custommaidbook.com 11/26/05
