Aaron Anson is the inspirational author of *Mind Your Own Life*. He reveals a most remarkable journey of acceptance and happiness he found by admitting and that he is gay. Anson learned how indeed the truth can set you free and give you back your life, not the life others dictate. The suicide statistics among gay teens are staggering. The taunting and bullying is sickening. We'll discuss how to make sure your children aren't victims or perpetrators of these attacks. This is written with love from his heart. It's a book of freedom, compassion, understanding, and life. www.aaronanson.com 11/12/11

Marian Anthony is the founder of the nonprofit www.defaultmortgagehotline.org a consumer advocacy organization. He is also a former mortgage executive who believes that banking executives have pulled off the biggest financial scam in US history. Tonight we'll discover how the housing and financial markets can be fixed and why counter-intuitive federal regulations are making things worse. You'll be infuriated to learn why the mortgage market is still broken despite spending billions if not trillions of dollars. Who's making the profits and when will real estate markets bottom out? Marian Anthony, CEO of the Anthony Realty Group in Carlsbad California will provide these and other answers. His book is called *Short Sale Rush*. www.Shortsalerush.com 7/09/11

David Conn is an investigative journalist and an expert in cult mentalities. He is co-author of *The Cult That Died* and author of *Lednorf's Dilemma*. Mr. Conn was a Defense Department liaison among West Coast Navy and Air Force bases, the Defense Department, and industrial transportation companies. Prior to that Conn was a lead analyst with Chevron's environmental laboratory. *Lednorf's Dilemma* is the fictional account of the Jim Jones tragedy. This book shows the liberal theological confusion that allowed the rise of the so-called People's Temple aided by government, schools and churches. Today we're confronted with cult mentality on a national and a world wide scale with subjective morality, cultural relativism, and corrupt journalism. Mr. Conn examines the "common flaw" in the liberal arguments. www.truthsleuth.net 7/23/11

Rebecca D. Costa is a sociobiologist with the unique expertise to spot and explain emerging trends in relationship to human evolution, global markets, and new technologies. She is the former CEO of Dazai Advertising and included a who's who of technology giants as her clients. She is the author of *The Watchman's Rattle: Thinking our way out of Extinction*. Byron Dale examines what money is, where it comes from, how is it created, and most important how it gets into circulation. The economic system of credit and debt is near an end. A new formula is desperately needed. We'll examine our monetary system and the sovereignty movement. States are attempting to regain their rights under the Tenth Amendment of the Constitution to prevent Federal mandates from bankrupting them. Mr. Dale's latest book is *Modern Money Secrets*. This incredible book examines how money works and offers a viable solution for our current financial situation. www.wealthmoney.org 2/5/11

Rudi Dekkers was the owner of Huffman Aviation in Venice Florida. One early morning two men walked in wanting to learn to fly. These two were Mohammed Atta and Marwan alShehhi two of the suspected 911 hijackers. Dekker interacted with these two men daily for 6 months. We'll learn what they were like, how good they were as pilots, and any "red flags" he noticed. Have we taken all necessary steps to prevent another 911? You'll hear details, never made public, that will astonish you. All of this and much more from the man who became *Guilty By Association*. www.rudidekkers.com 9/10/11, 10/15

Uri Dowbenko is the author of *Bushwacked, Inside Stories of the True Conspiracy* and *Hoodwinked (Watching Movies with Eyes Wide Open)*. Uri will examine his being sued by Billionaire Hedge Fund Manager Julian Robertson for questioning what happened to 17 billion of investors money when Robertson's Tiger Fund collapsed in 2000. It appears Wall Street hedge fund managers would rather sue the messenger than answer any questions. Is there any wonder we're in the 15th day of Wall Street protests? Americans are fed up with the arrogance of these folks. [Conspiracy Planet](#) [Uri Dowbenko](#) [New Improved Art](#) 10/08/11

Sibel Edmonds is the founder and president of the National Security Whistleblowers Coalition. She has appeared on *60 minutes*, *CNN*, *MSNBC*, *NPR* and all major publications discussing national security, excessive secrecy and classification. She is the recipient of 2006 PEN/Newman's Own First Amendment Award and 2004 Sam Adams Foundation Award. Ms Edmonds was fired from the FBI when she dared to discuss security breaches, cover-ups, and blocking of intelligence following 911. She was the only person I recall being fired over the 911 lapses of security. Her podcast and articles at www.boilingfrogspost.com are hard hitting and non-partisan. She believes that the "Transparency Award" given to President Obama is unjustified and must be rescinded. <http://takeawardback.org> 7/2/11, 9/10/11

Brenda J. Elliott is the co-author of the blockbuster best selling *The Manchurian President*. Her latest book targets the progressive establishment media. *Red Army* exposes the radical socialist agenda that threatens and is in the process of destroying the very fabric of America. This radical network is behind the immigration, healthcare, and environmental agendas which are efforts to spread America's wealth to create their vision of a socialist utopia. 12/3/11

Jonathan W. Emord, principal of *Emord and Associates*, practices constitutional and Food and Drug law in Washington D.C. before the federal courts and agencies. Michael Everett is the Southern California entrepreneur who manufactures and distributes *Advantage-E-Cigarettes*. These cigarettes are absolutely amazing. They taste like cigarettes, look like cigarettes, and satisfy nicotine cravings like cigarettes. The difference is you don't light them, they don't smell, they cost much less, they don't have the chemicals in cigarettes, there's no smoke. You still have the hand-to-mouth action and it can help end your smoking habit. Celebrities have discovered E-Cigarettes, but the government put forward major stumbling blocks. We'll discuss the E-Cigarettes and the fight to bring them to market. www.advantage-e-cigs.com 10/29/11

Preston Fleming joined the U.S. Foreign Service and served at embassies around the Middle East for nearly a decade. He then attended an Ivy League law school and has pursued a career in law and business. Along the way Mr. Fleming became the best-selling author of the *Kamas Trilogy*, *Star Chamber Brotherhood*, and *I'll Die Later*. Increasing aspects of Mr. Fleming's futurist novels are becoming realities. There is now a proposed "exit tax" for those wishing to leave the US and the IRS is putting a global squeeze on expatriate Americans. These are ominous signs that we are erecting an economic wall around America. www.prestonfleming.com 4/09/11, 7/16/11

Charles Fox, to call him a composer is tantamount to calling Van Gogh a painter. Charles Fox is an artist who sets a mood like that of Debussy or Maurice Ravel. All that is needed is to mention "Happy Days", "Love American Style", "The Love Boat", or "Monday Night Football" and the music begins running in your head. "I Got A Name" was a huge hit for the late Jim Croce, but the classic "Killing Me Softly With His Words" is one of the most beautiful songs ever written. It is a song that touches the heart of people around the world. *Killing Me Softly: My Life in Music* with a foreword by Roberta Flack is an extraordinary memoir detailing the legacy of music that has kept us

singing for years. Mr. Fox's friends include Roberta Flack, Quincy Jones, Barry Manilow, Gary Marshall, Hal David, Paul Williams, and scores of others in the music business who recognize genius. 1/8/11

Sven R. Larson is the author of *Remaking America: Welcome To The Dark Side Of the Welfare State*. We're told that in a socialist welfare utopia the government promises equality and plenty for all. The end result is that we become statistical units, loosing our humanity while the government becomes increasingly tyrannical and reduces services while increasing taxes. Sven Larson is a research fellow with Wyoming Liberty Group. He's an economist who has witnessed first hand how state sponsored entitlements destroyed the very fabric of his native Sweden. He sees the warning signs in the United States and cautions we're heading for the same nightmare that caused him to leave his homeland. <http://wyliberty.org/author/sven-larson/> , www.larson4liberty.com 1/29, 8/6
